Please tell us any requirements which will make your weekend more enjoyable! If you can, give us your mobile phone number so that we can message you about activities whilst we are away.

The minimum cost of the weekend is £110 for adults, £60 for 13-18s and £35 for 4—12s. We suggest an additional contribution to activities of £40 per family. At this stage please enclose a cheque for your deposit of £25 per person (aged over 4), together with any additional gift you would like to make to help with bursaries or contribute to the activities. Please make cheques payable to “St Peter’s Prestbury”. The final balance needs to be paid on or before 9 September 2012.
